
Our Mission: Justice for All

America holds close the ideal of equal justice for all, but all too often, justice is out of reach for many of its most financially disadvantaged members of our community. Civil legal aid steps in to ensure that this promise is made a reality for thousands of individuals and families who need representation in noncriminal matters but cannot afford to hire an attorney. By giving to the Justice for All Campaign, you can make justice a reality for individuals and families in northwest Ohio.

Each year, thousands of people request legal help from Advocates for Basic Legal Equality, Inc. (ABLE), Legal Aid of Western Ohio, Inc. (LAWO), and the Toledo Bar Association (TBA) Pro Bono Legal Services Program. Through gifts from our friends and supporters in the legal community, we are able to provide life-changing assistance to victims of elder abuse, veterans, survivors of domestic violence and human trafficking, and families struggling to meet their day-to-day needs of housing, food, healthcare, or special education for their children. While we helped thousands of people last year, even more seek our help. We ask you to support us again this year as we meet the need.

The Campaign

The Justice for All Campaign benefits LAWO, the TBA Pro Bono Legal Services Program, and ABLE. As the sole providers of free civil legal aid to low-income residents of northwest Ohio, the Justice for All Campaign unites our fundraising efforts to ensure that vulnerable and disenfranchised members of our community have equal access to civil the legal system.

Why is our work so important? Our advocates provide free civil legal services to help clients overcome harmful circumstances and barriers to opportunity. Without our assistance, most would go without legal representation.

They Need Your Help
